AGES 18+

SAN JOSE IMPROV • 7:45 PM ON TUESDAY **MARCH 6** BENEFITING THE PACE CLINIC
PURPOSE
The Ira Greene PACE Clinic (Partners in AIDS Care & Education) provides patients in all stages of HIV infection with state-of-the-art primary care in a friendly and compassionate environment. The Clinic stresses a holistic approach that includes a comprehensive range of on-site services, from clinical treatment to nutrition and psychotherapy.

The PACE Clinic helps patients to cope with the real-life challenges of dealing with the disease through:
• Helping patients to successfully follow intricate medications regimens
• Providing women and their children access to medical care at the same doctor’s visit
• Ensuring appropriate medical treatment to prevent or delay the progression of diseases that result from HIV infection
• Extending services to South County to enhance access

The PACE Clinic will use funds raised to help prevent the spread of HIV/AIDS with a special prevention and outreach effort in 2012. The PACE Clinic relies on government funding and grants that must be used for critical client services, leaving little extra money for education. As an article in the San Jose Mercury News recently pointed out, prevention and outreach are critical in Santa Clara County.

STATISTICS
HIV/AIDS in Santa Clara County
• Nearly 3,011 people were living with HIV/AIDS in 2010.
• 35 percent of living HIV/AIDS cases in the county in 2010 were Latinos and 12 percent were African-Americans.
• Since the mid-1990s there has been a steady decline in mortality due to improved medications and treatment. As of 2010 yearly death rates are at 0.1/100,000 population from a high of 14.5/100,000 in 1994.

PACE Clinic
• PACE Clinic treats 1,150 HIV/AIDS patients a year.
• PACE Clinic has an 88% retention in care rate.
• PACE Clinic follows national quality standards for care.
• PACE Clinic received the 2010 HIV Heroes Award from The Health Trust.

SPONSOR AND EVENT INFO
Sponsors are needed for Laugh*Sing*Dance*Care, the second-annual fundraiser for the PACE Clinic. For information on how you can help, please contact Laura Cutler at 408.282.2687 or Laura.Cutler@hhs.sccgov.org.

My fabulous Dr. Brooks... All I can say would not be enough. I never met a doctor I really liked or trusted- until I found Dr. Brooks. I feel safe and cared for. I trust him, I actually love him. I know he does whatever is necessary to keep me well. He is an amazing man.
