Helping Silicon Valley Care

Dear Guest,

The VMC Foundation would like to invite you to join us for the 2018 Santa Clara Valley Medical Center Vendor Fair. The next event will be held on Wednesday, August 15th, 2018 from 5 PM - 7 PM at the Bascom Community Center in San Jose, CA. This event brings about 100+ staff members from SCVMC and Santa Clara Valley Hospital and Clinics.

Don't miss this opportunity to give your products and services widespread exposure, and network with associates and physicians from Santa Clara County, including those who make the decisions about the products and services used at the hospital & clinics. If interested in exhibiting at the Vendor Fair, we encourage you to register early with the VMC Foundation to receive a discounted rate. The SCVMC Vendor Fair provides vendors the opportunity to display for 2 hours and provide education on their products and services to associates and physicians.
