

Dear Guest,

The VMC Foundation would like to invite you to join us for the 2020 Santa Clara Valley Medical Center Vendor Fairs. The event will be held on two dates, Thursday, June 18, 2020 and Wednesday, August 26, 2020 from 5 PM - 7 PM at the Bascom Community Center in San Jose, CA. This event brings about 150+ staff members from SCVMC, O'Connor Hospital, St. Louise Regional Hospital, and surrounding clinics and health centers.

Don't miss this opportunity to give your products and services widespread exposure, and network with associates and physicians from Santa Clara County, including those who make the decisions about the products and services used at the hospitals & clinics. If interested in exhibiting at the Vendor Fair, we encourage you to register early to receive a discounted rate. The SCVMC Vendor Fair provides vendors the opportunity to hear from our procurement and compliance team about how to work with the County of Santa Clara Health System as well as the opportunity to display for 2 hours to provide education on their products and services to nurses, physicians and associates.
